The Good AND THE Beautiful
CURRICULUM

HISTORY

Activity Book

Year 1

• Lesson 3 •

Cut out the events from the story of Noah at the bottom of the page. Paste each event in the correct order by matching the shapes on each cut-out event to the shape on the page.

Star

Rectangle

Circle

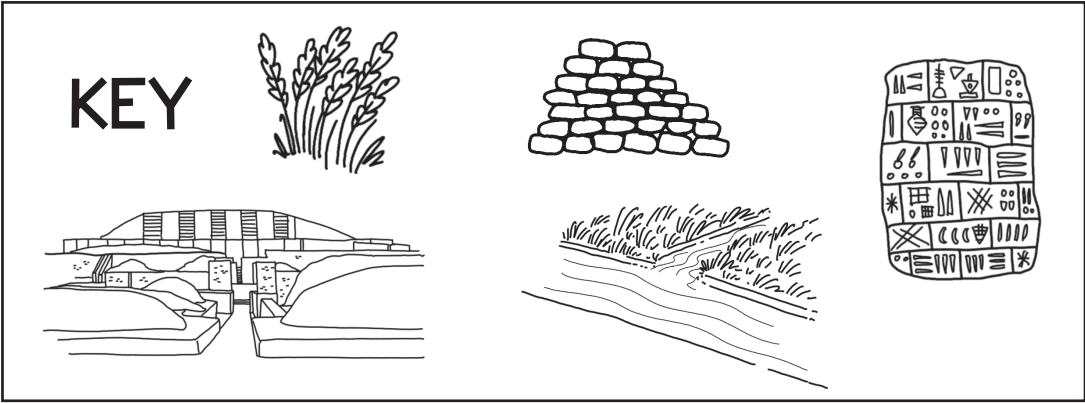

Triangle

Trapezoid

Diamond

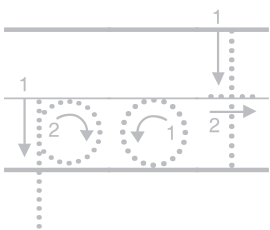

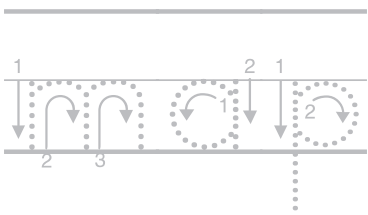

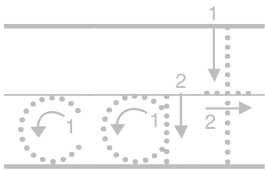

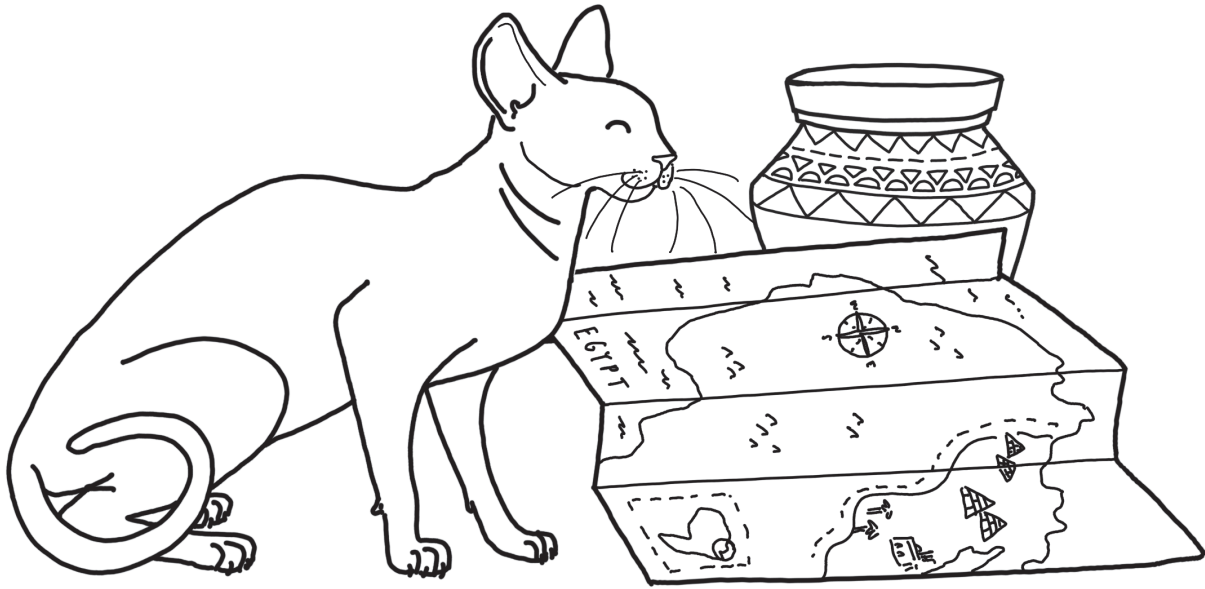

Cross out the pictures in the key as you find them on the map of the Fertile Crescent. Color the map and pictures.

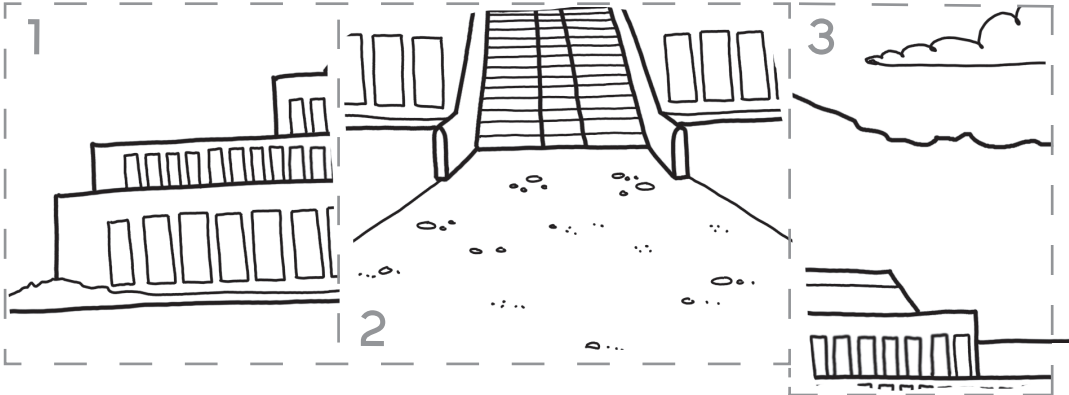

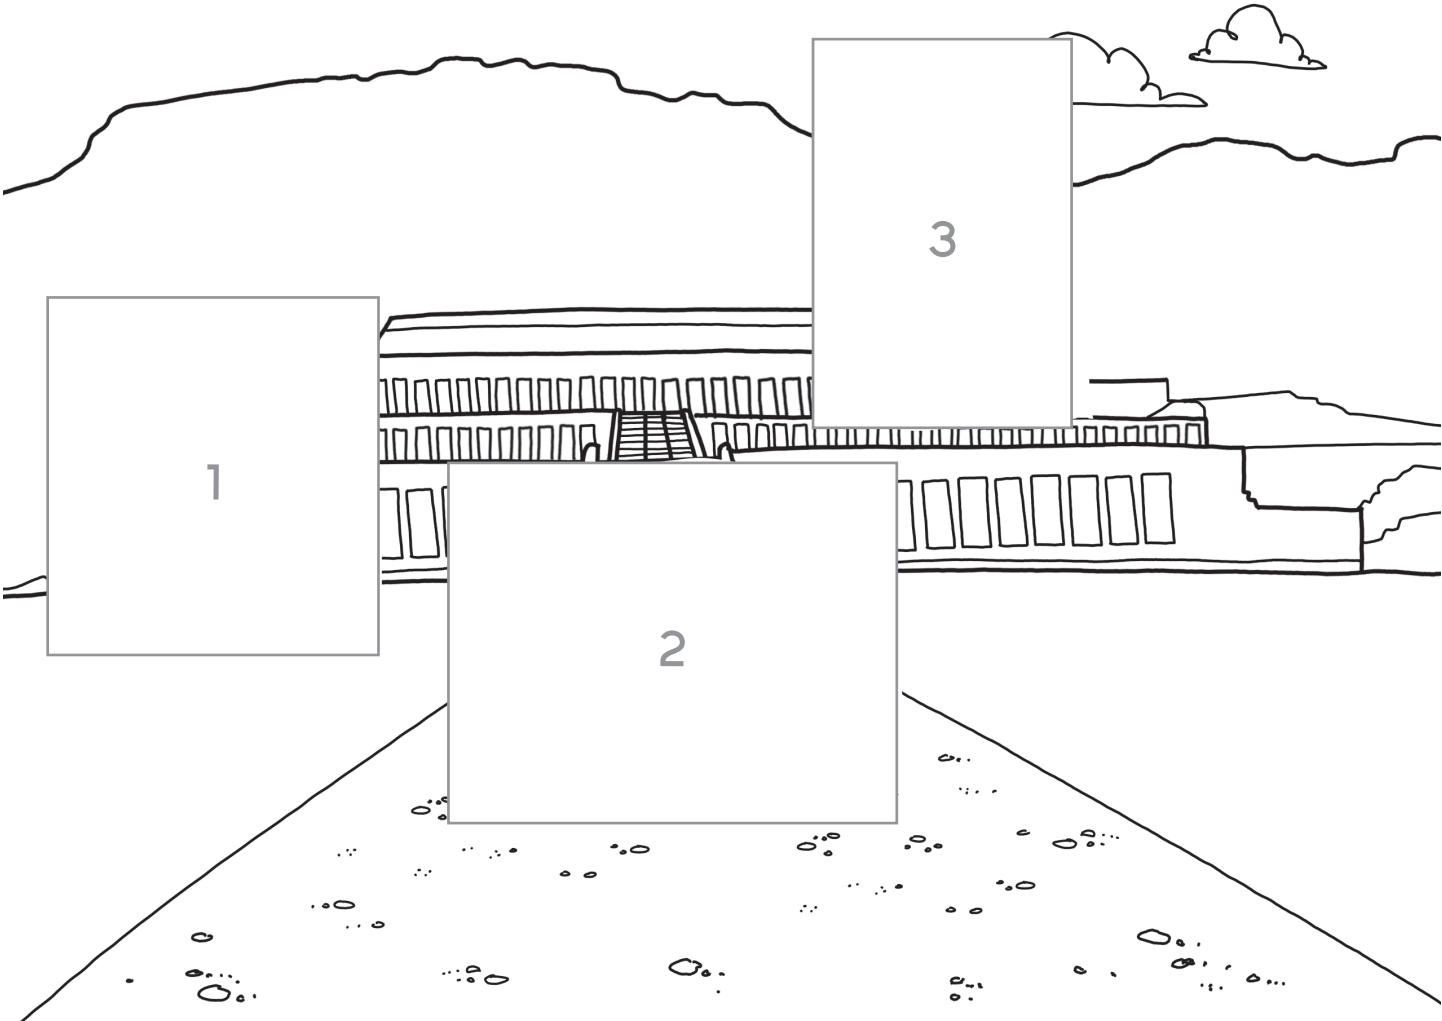

• Lesson 7 •

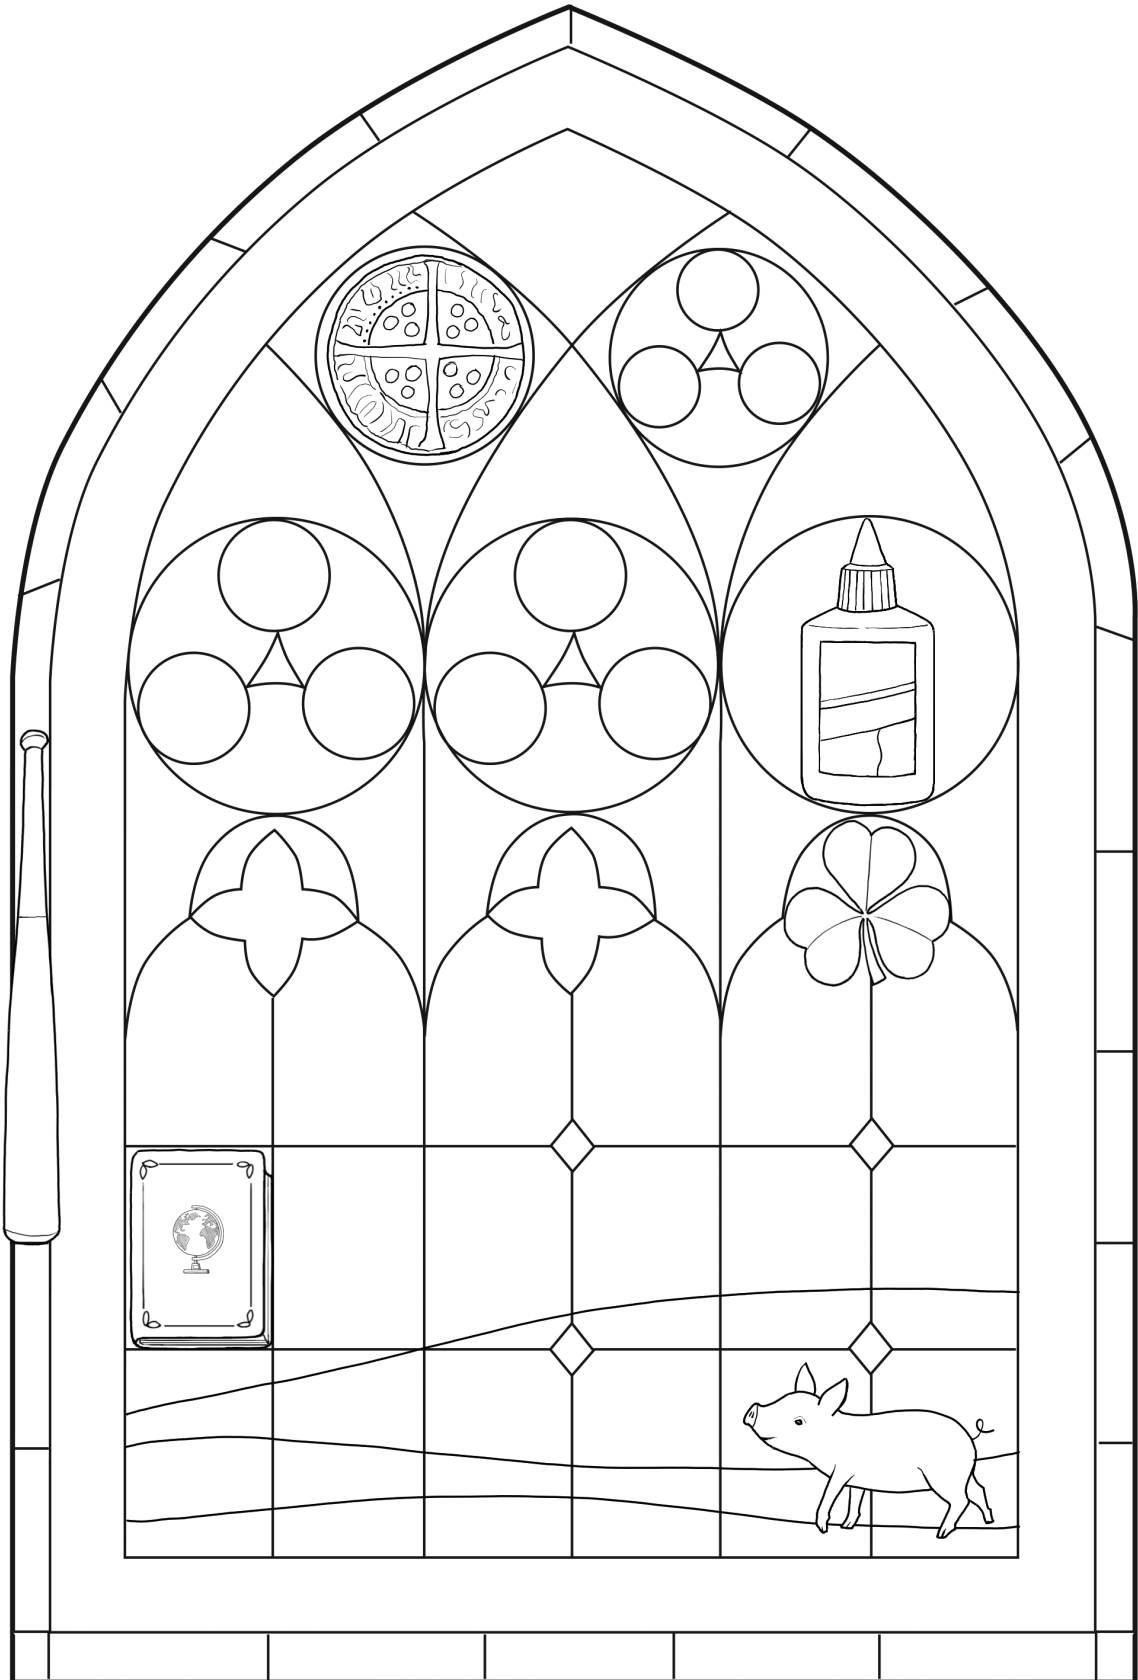

Trace the words below in English and their translations in hieroglyphics.

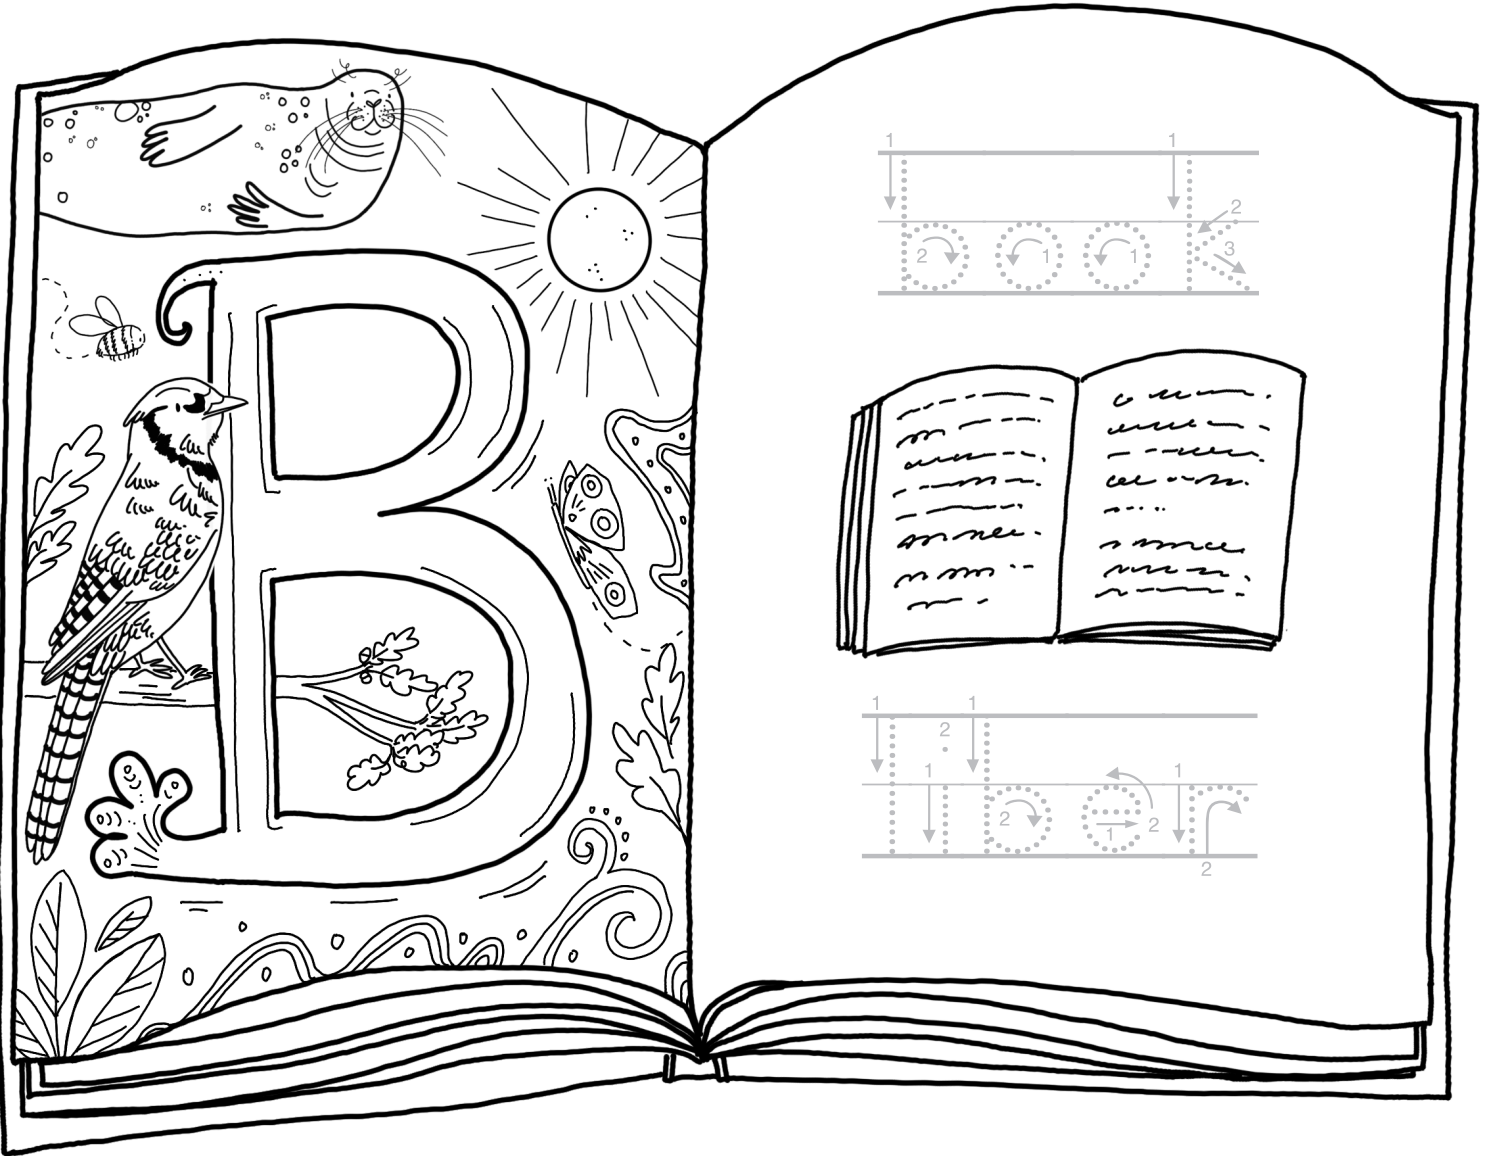

Color the picture of the Valley of the Kings and the boxes at the bottom of the page. Cut out and tape or paste the cut boxes into the boxes with the matching number.

Look closely at the beautiful stained glass window in the Christian church. Color the six silly things that do not belong in the window red. Color the picture with additional bright colors.

Trace the word "book" below in English and Latin. Color the picture.

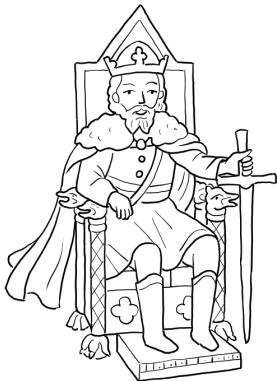

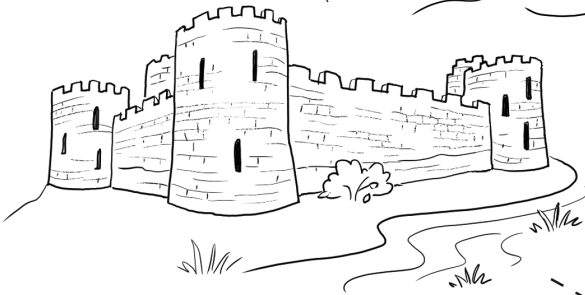

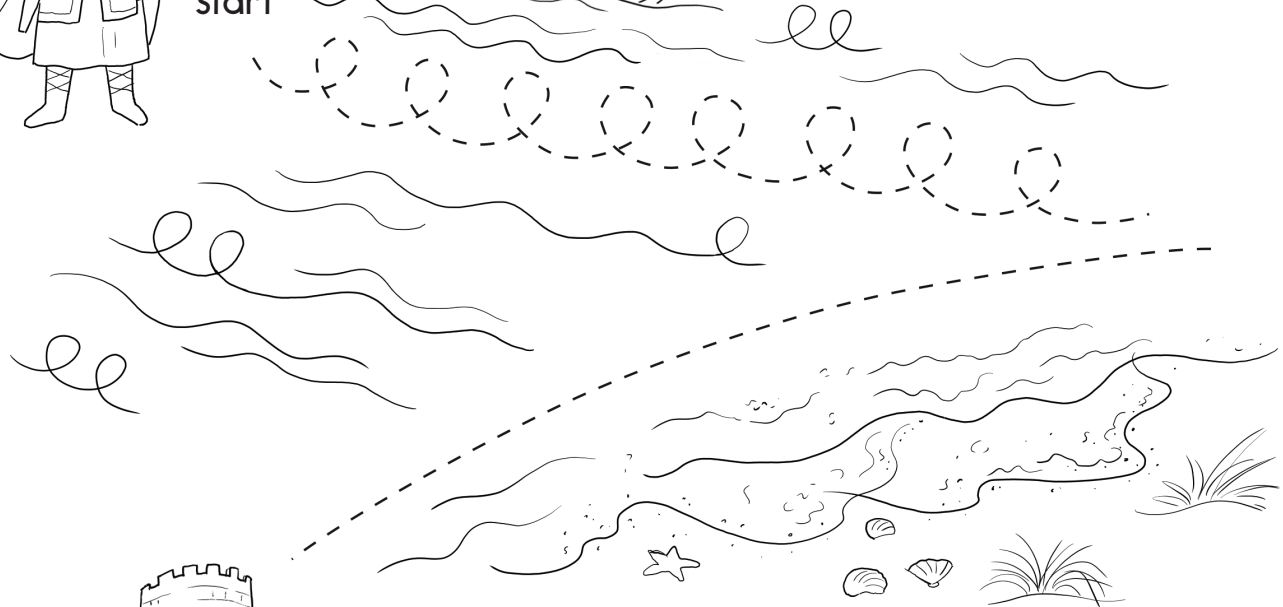

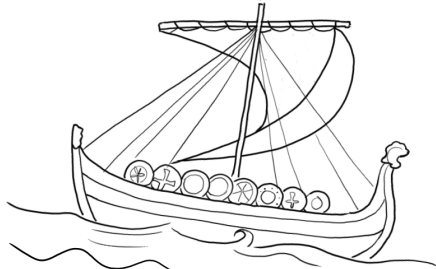

Lesson 20

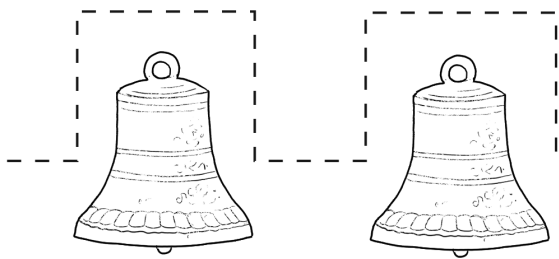

Trace the dotted lines to show some of William the Conqueror's journey.

start

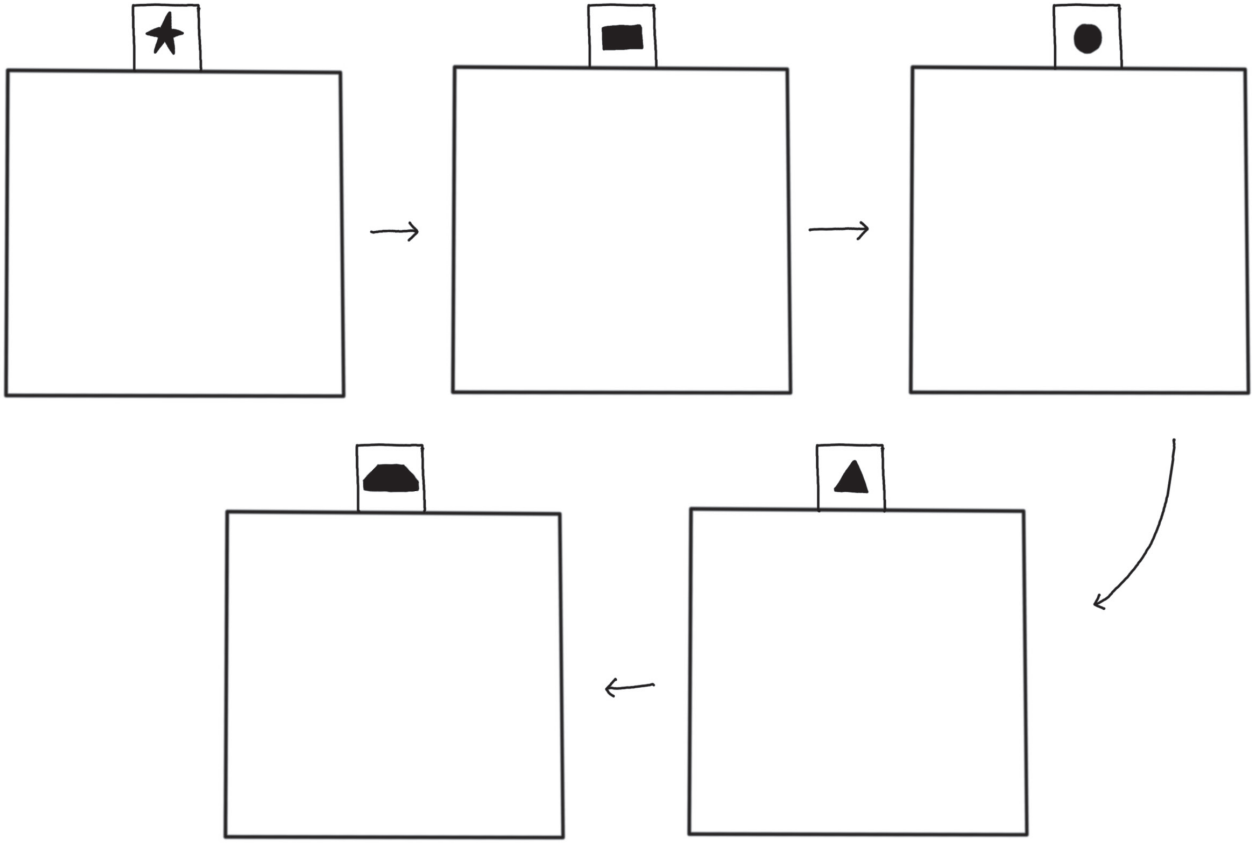

finish

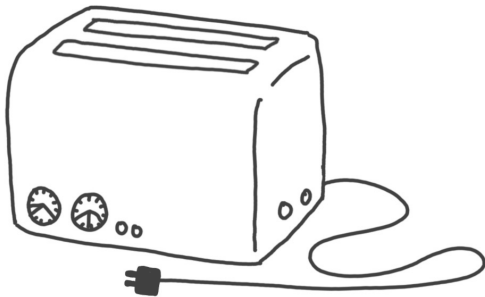

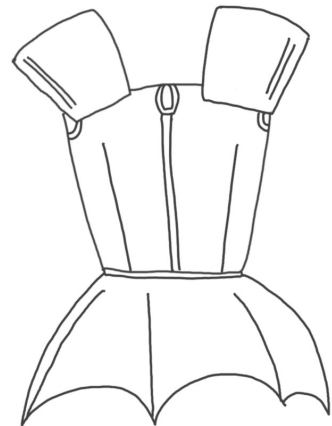

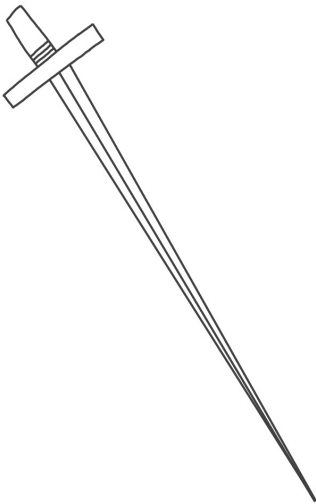

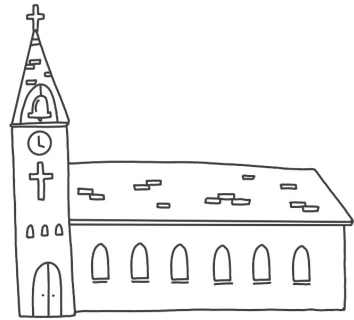

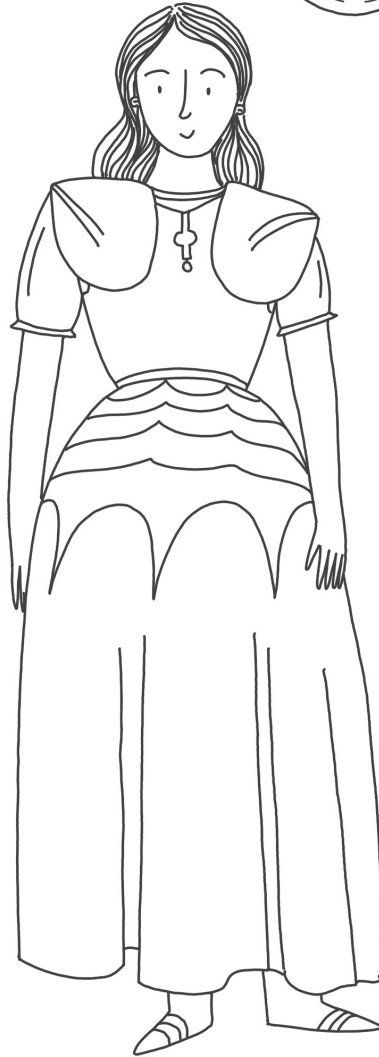

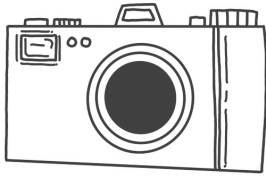

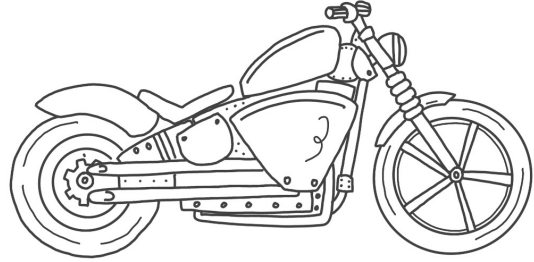

Lesson 22

Cut out the Magna Carta events and place them in the correct order by matching the shapes in each box.

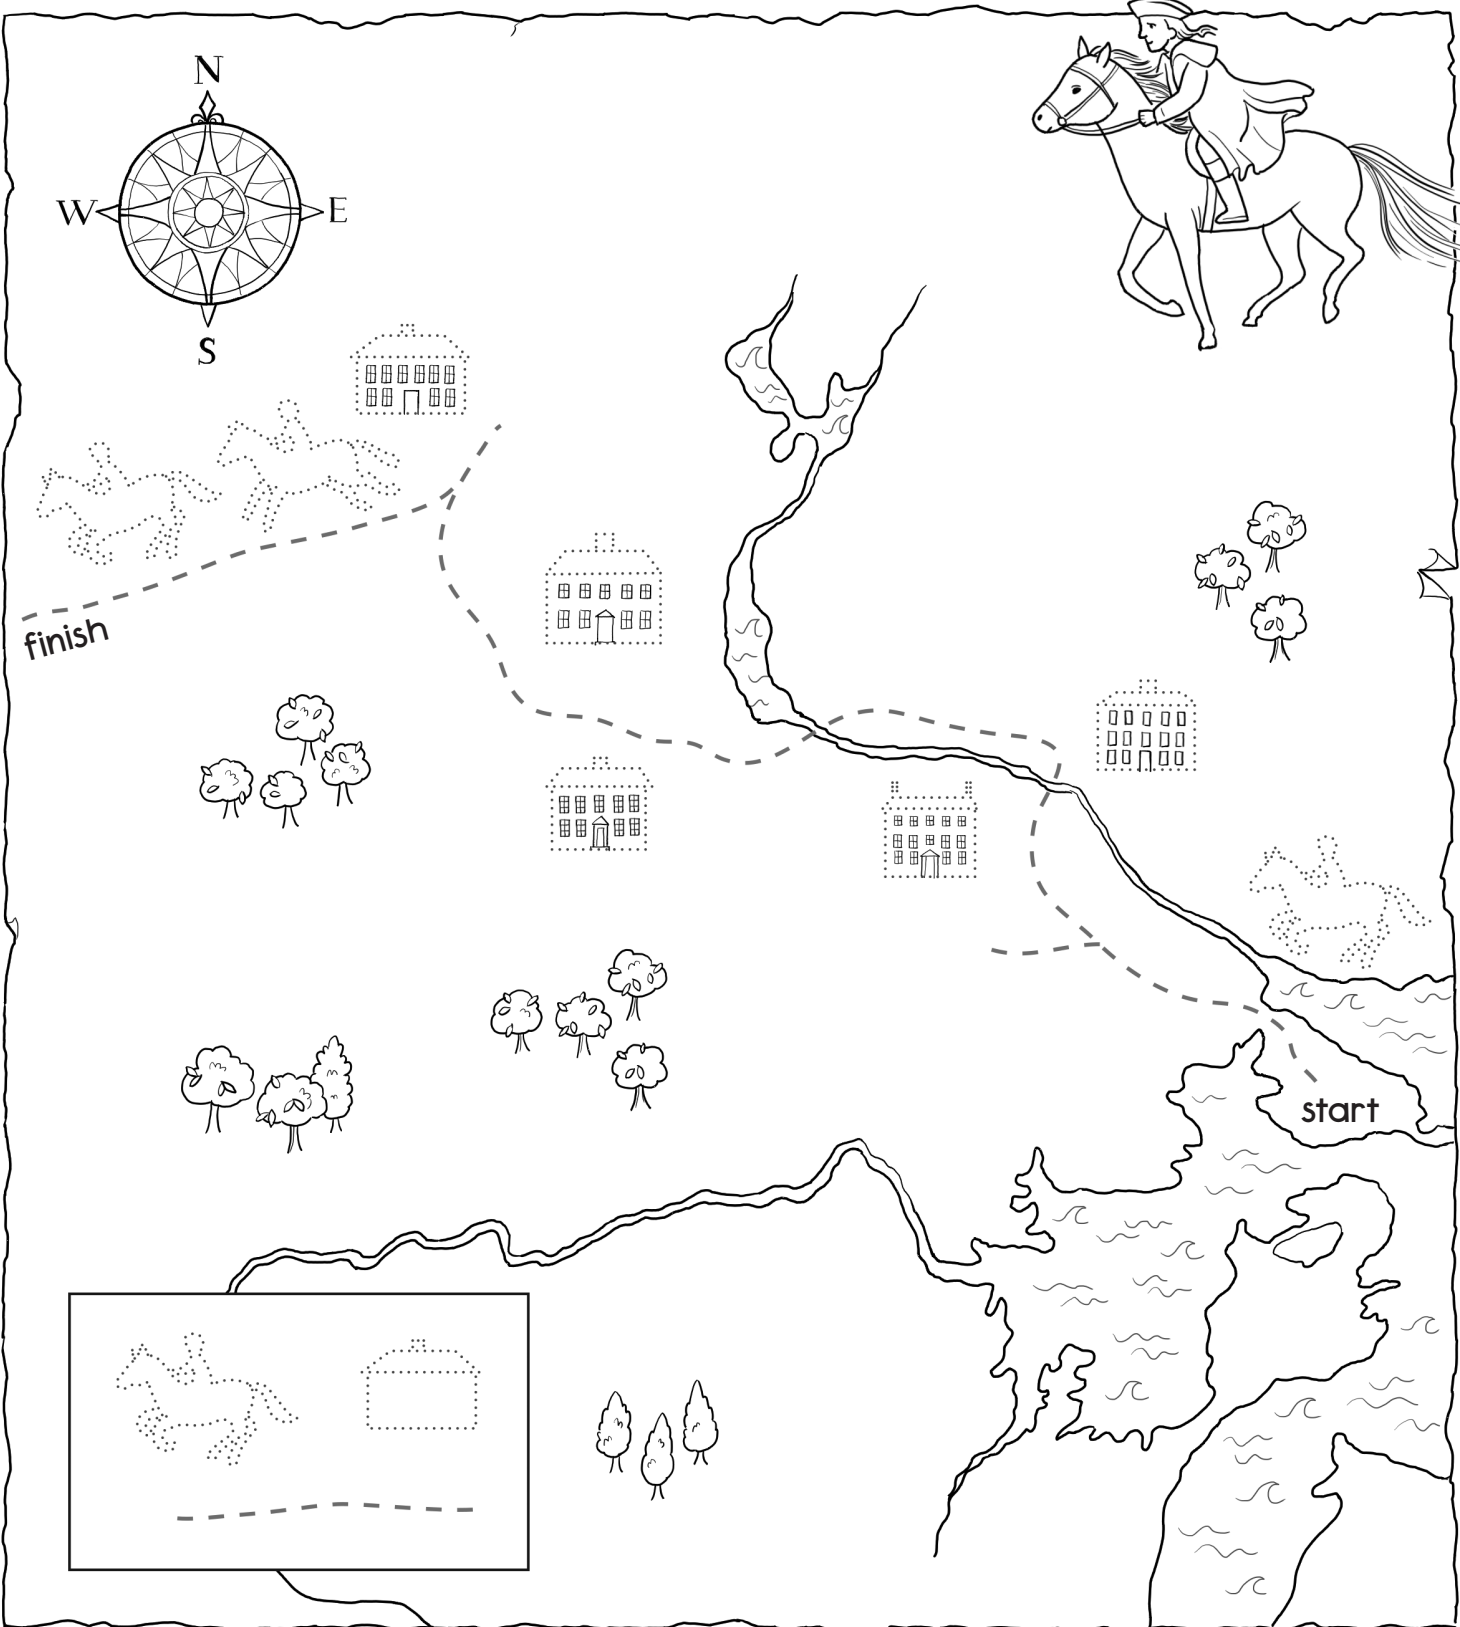

•Lesson 25•

Draw lines from Joan of Arc to each picture that relates to her.

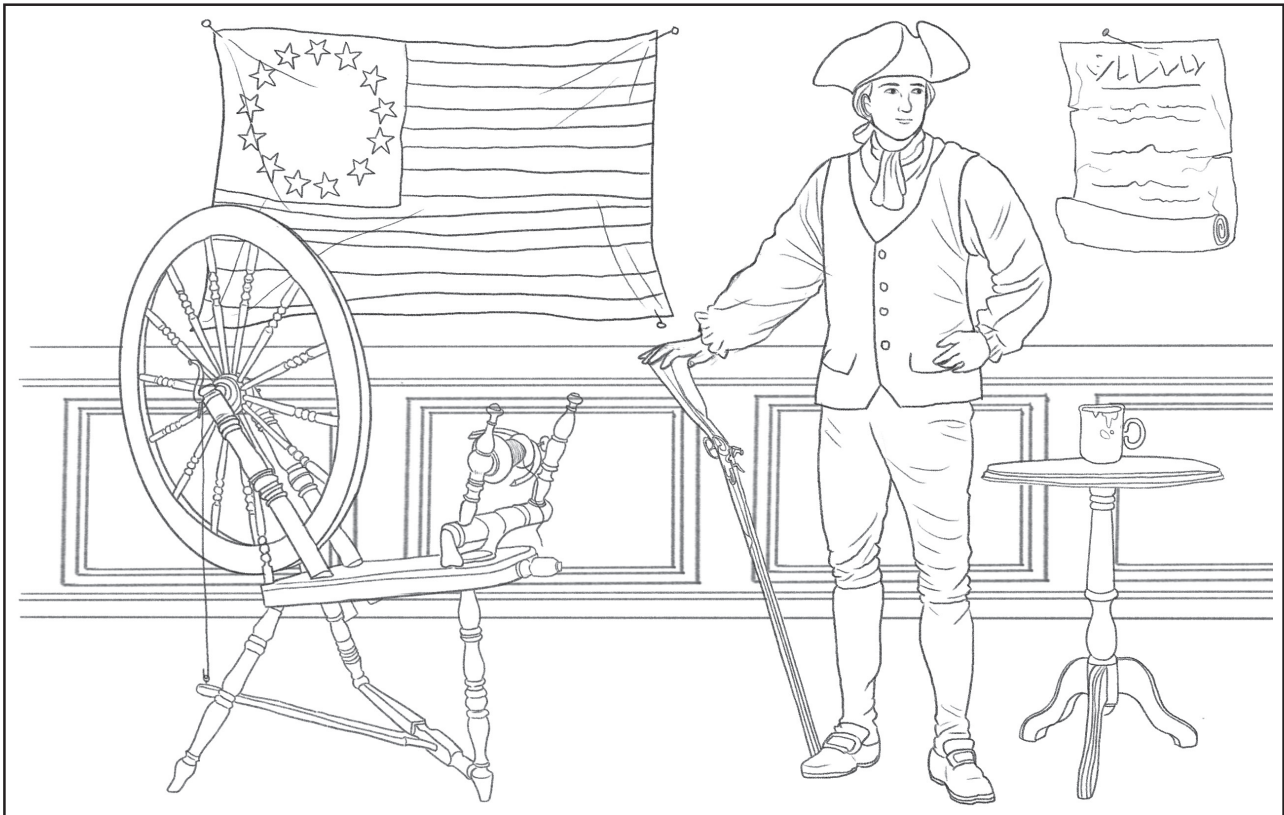

Trace the dashed road lines, horses and riders, and buildings on the map to follow Paul Revere's ride and warn the people. Color the picture.

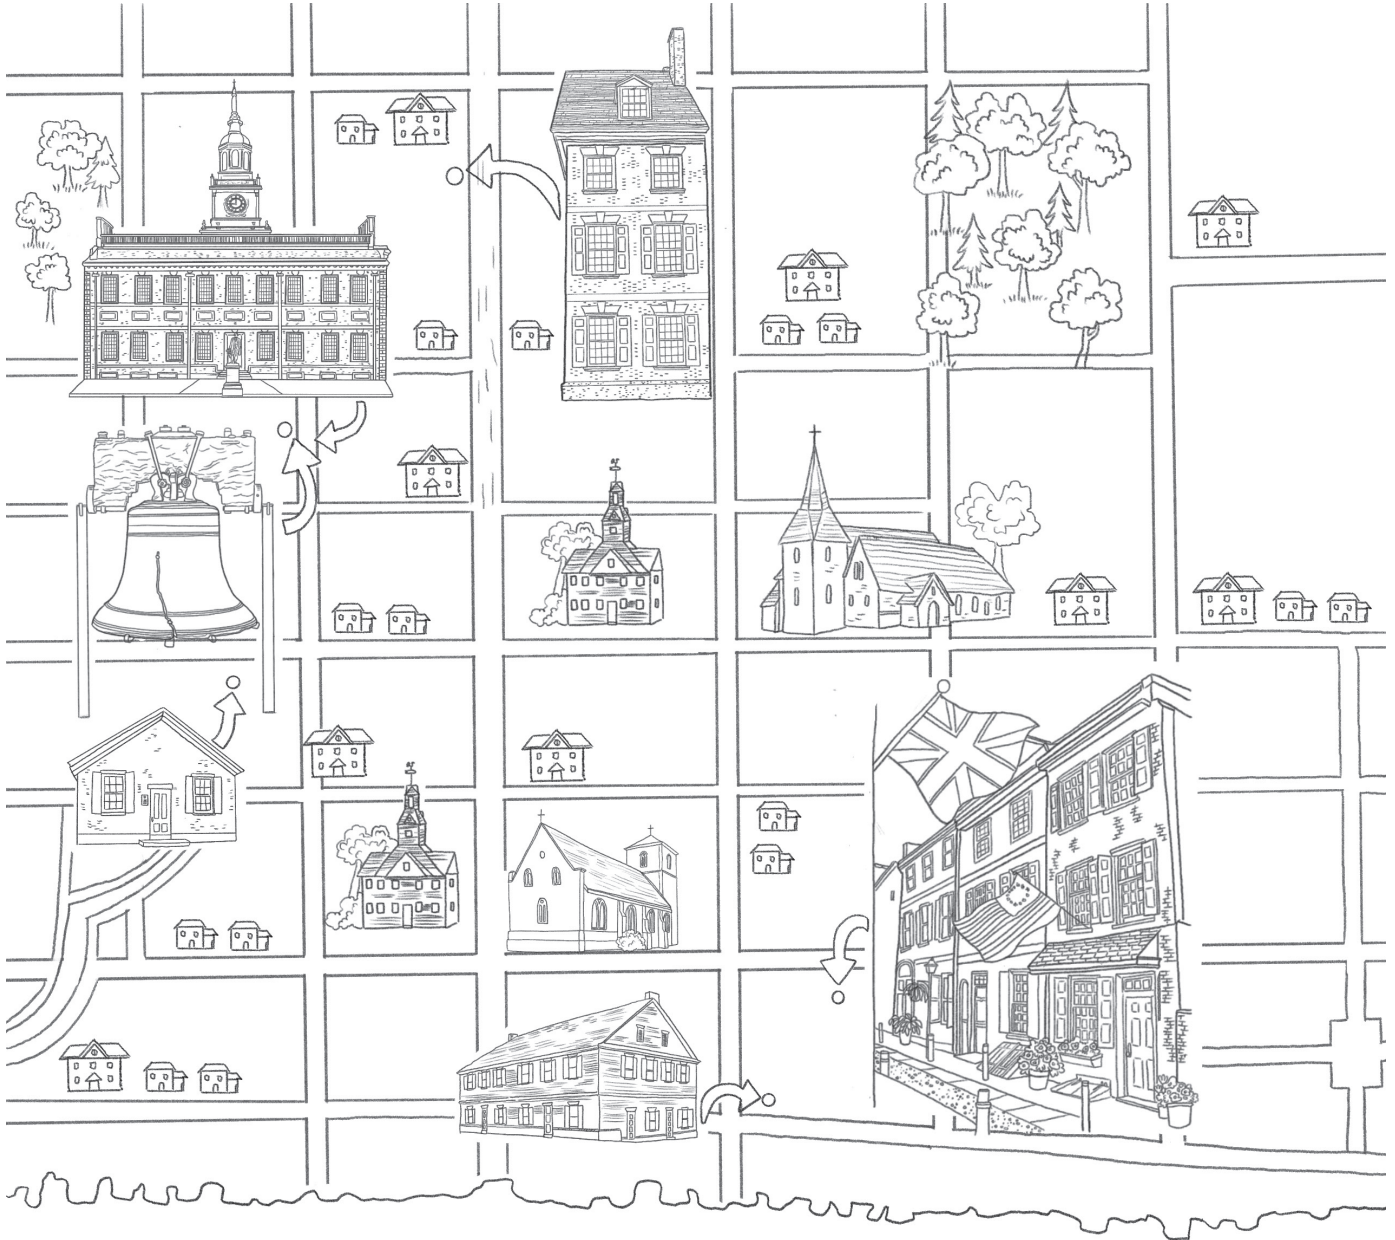

•Lesson 36•

The top picture shows a Loyalist's home. The bottom picture shows a Patriot's home. Circle the six items in the Patriot's home that are different or missing in the Loyalist's home. Color your favorite picture.

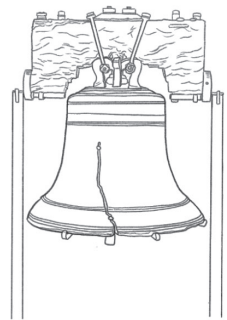

Lesson 39

Find and color the pictures in the key on the map of downtown Philadelphia. Color the picture.

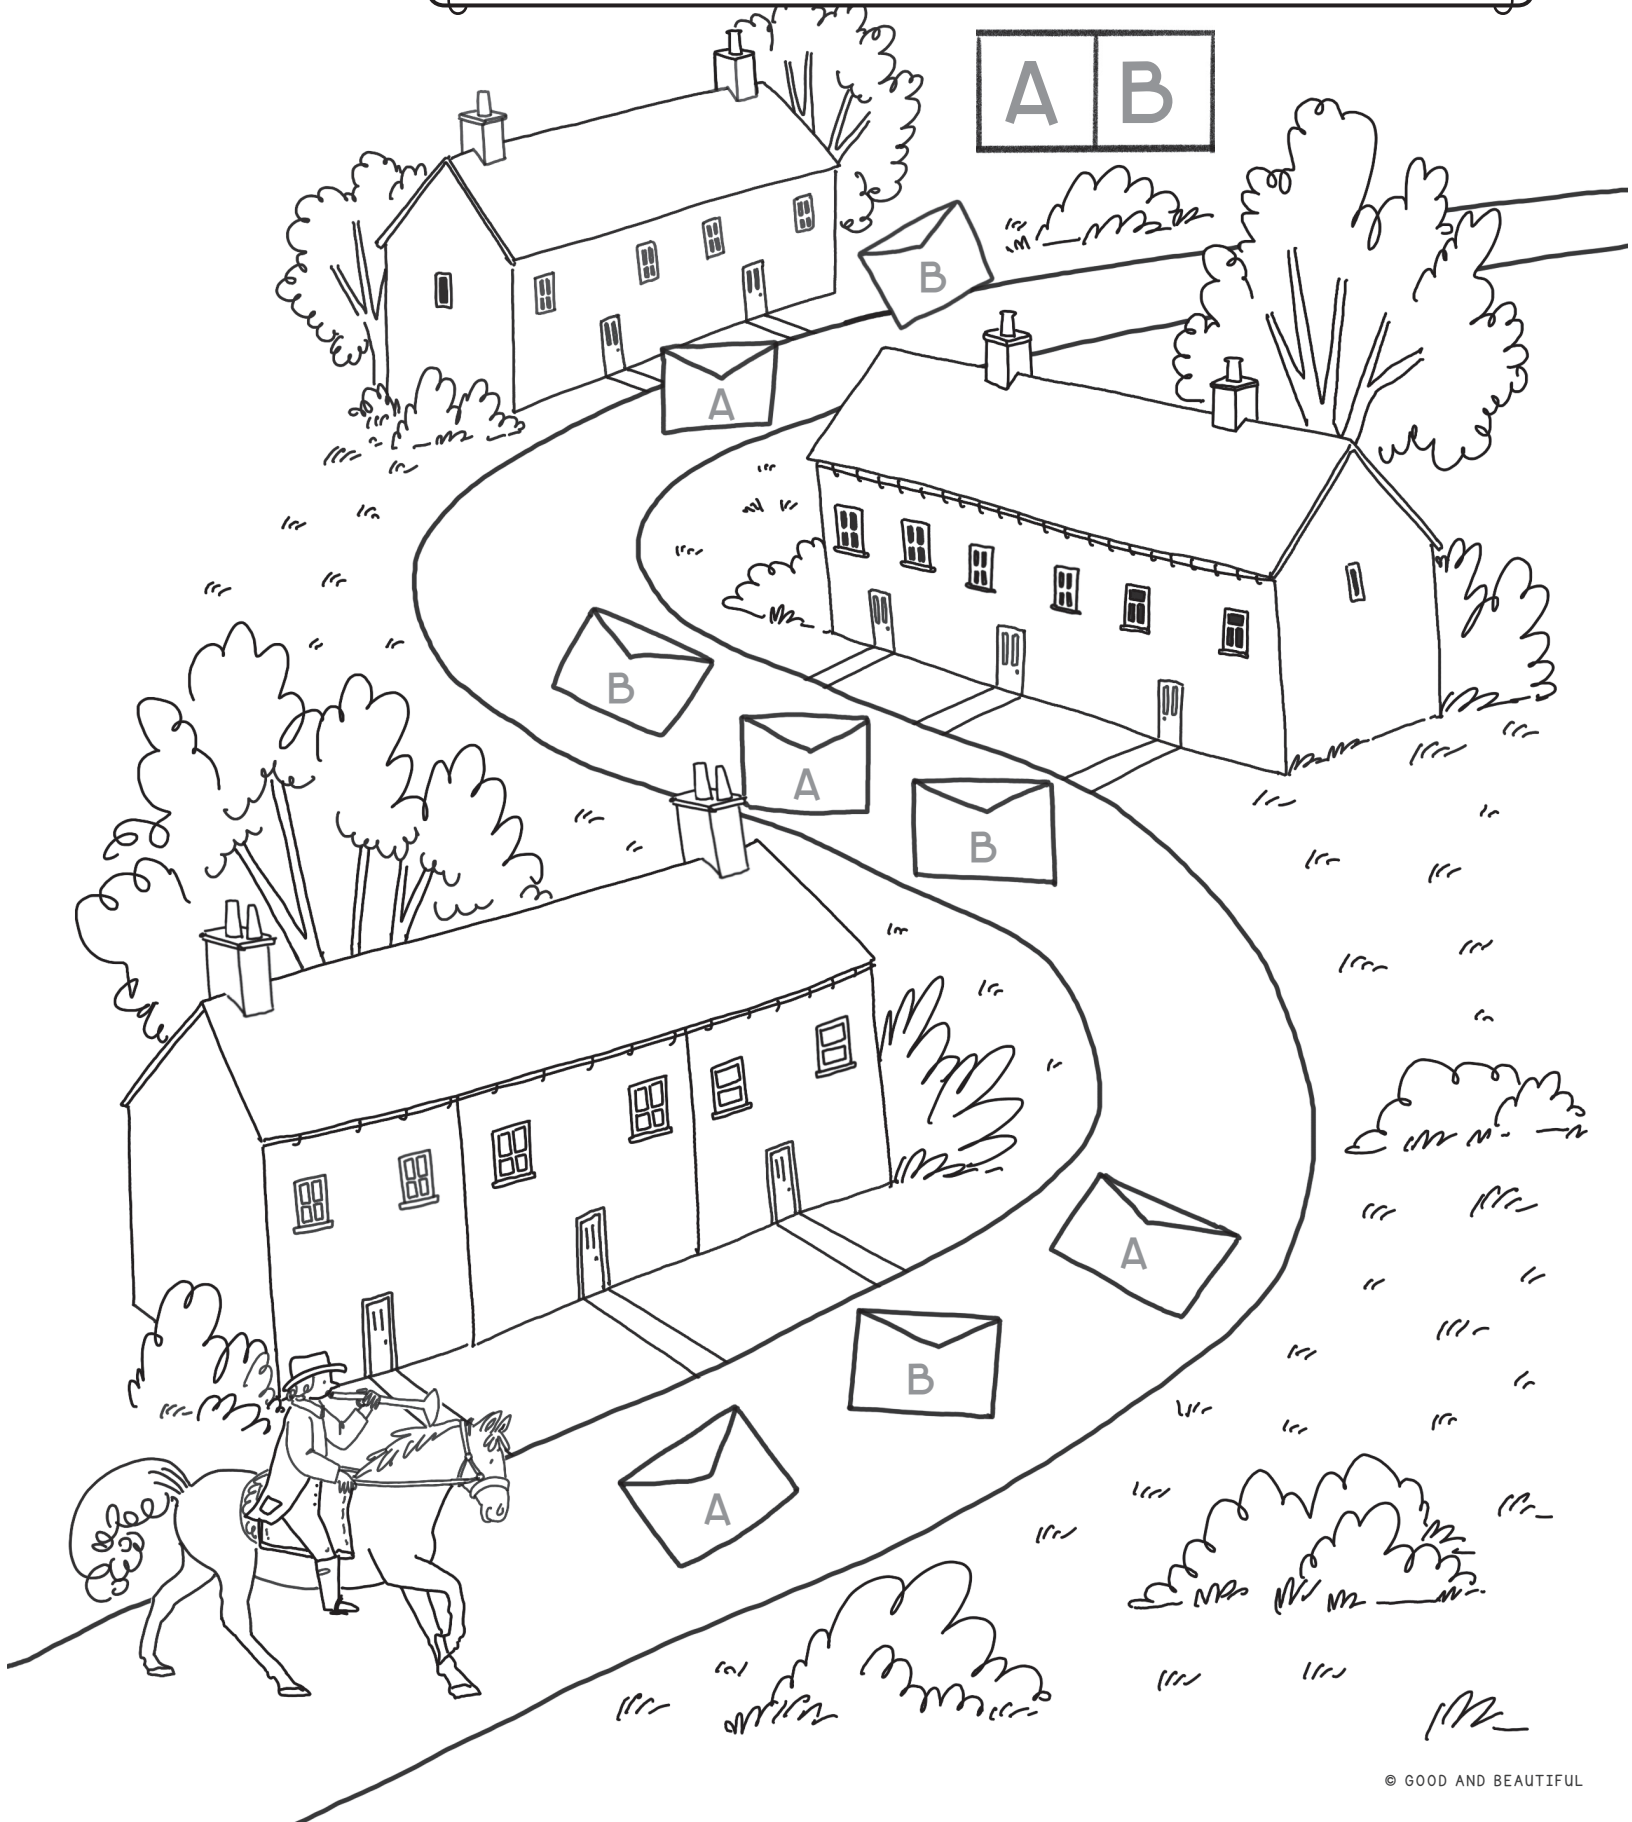

KEY

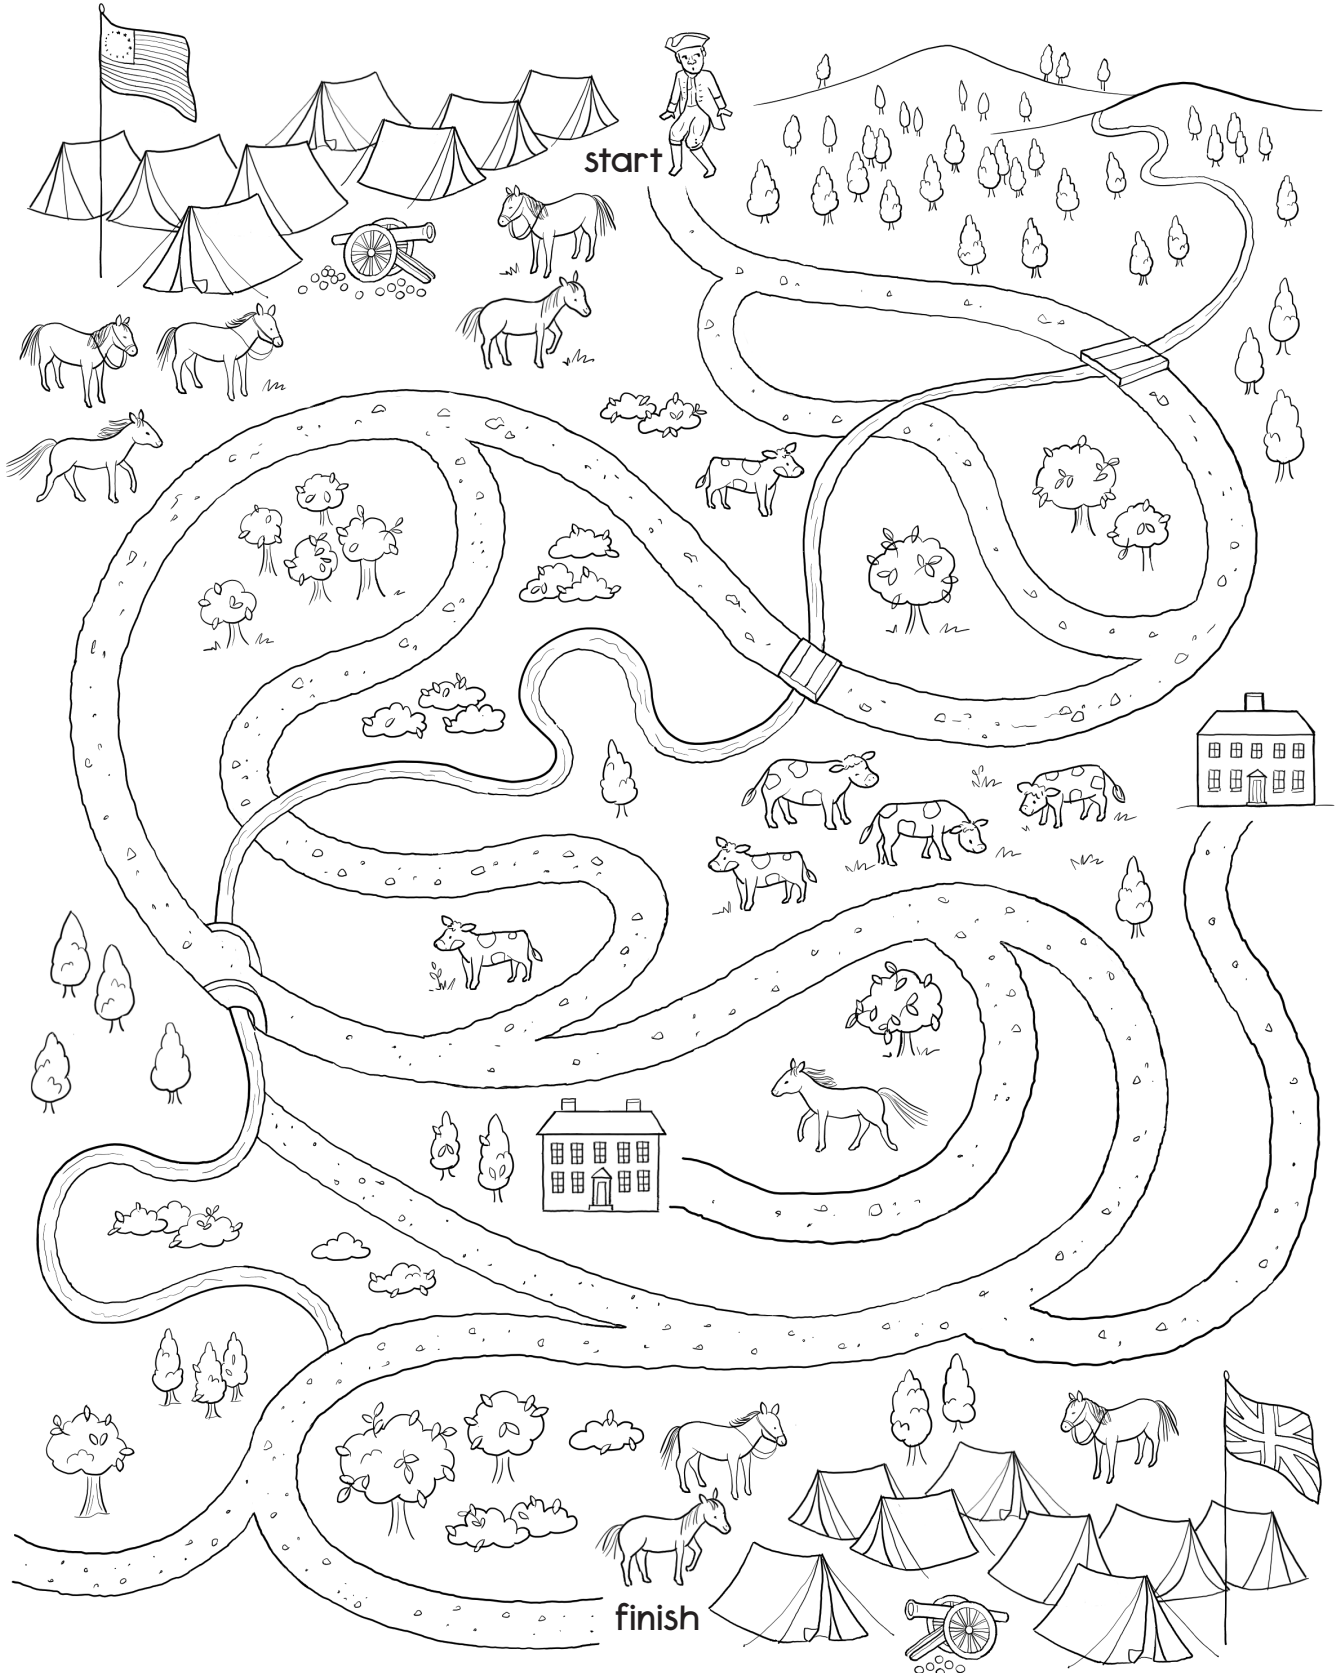

Lesson 43

Start at the horse and copy the pattern your parent colored to deliver the letters. Note to parent: Color the A and B in the box unique colors of your choice for the child to follow.

• Lesson 47 •

Complete the maze to help James Armistead on his secret spy mission to reach the British camp at the bottom of the page. Color the picture.

Circle the six items in the top picture of Deborah Sampson that are different from the bottom picture.
Color your favorite picture.

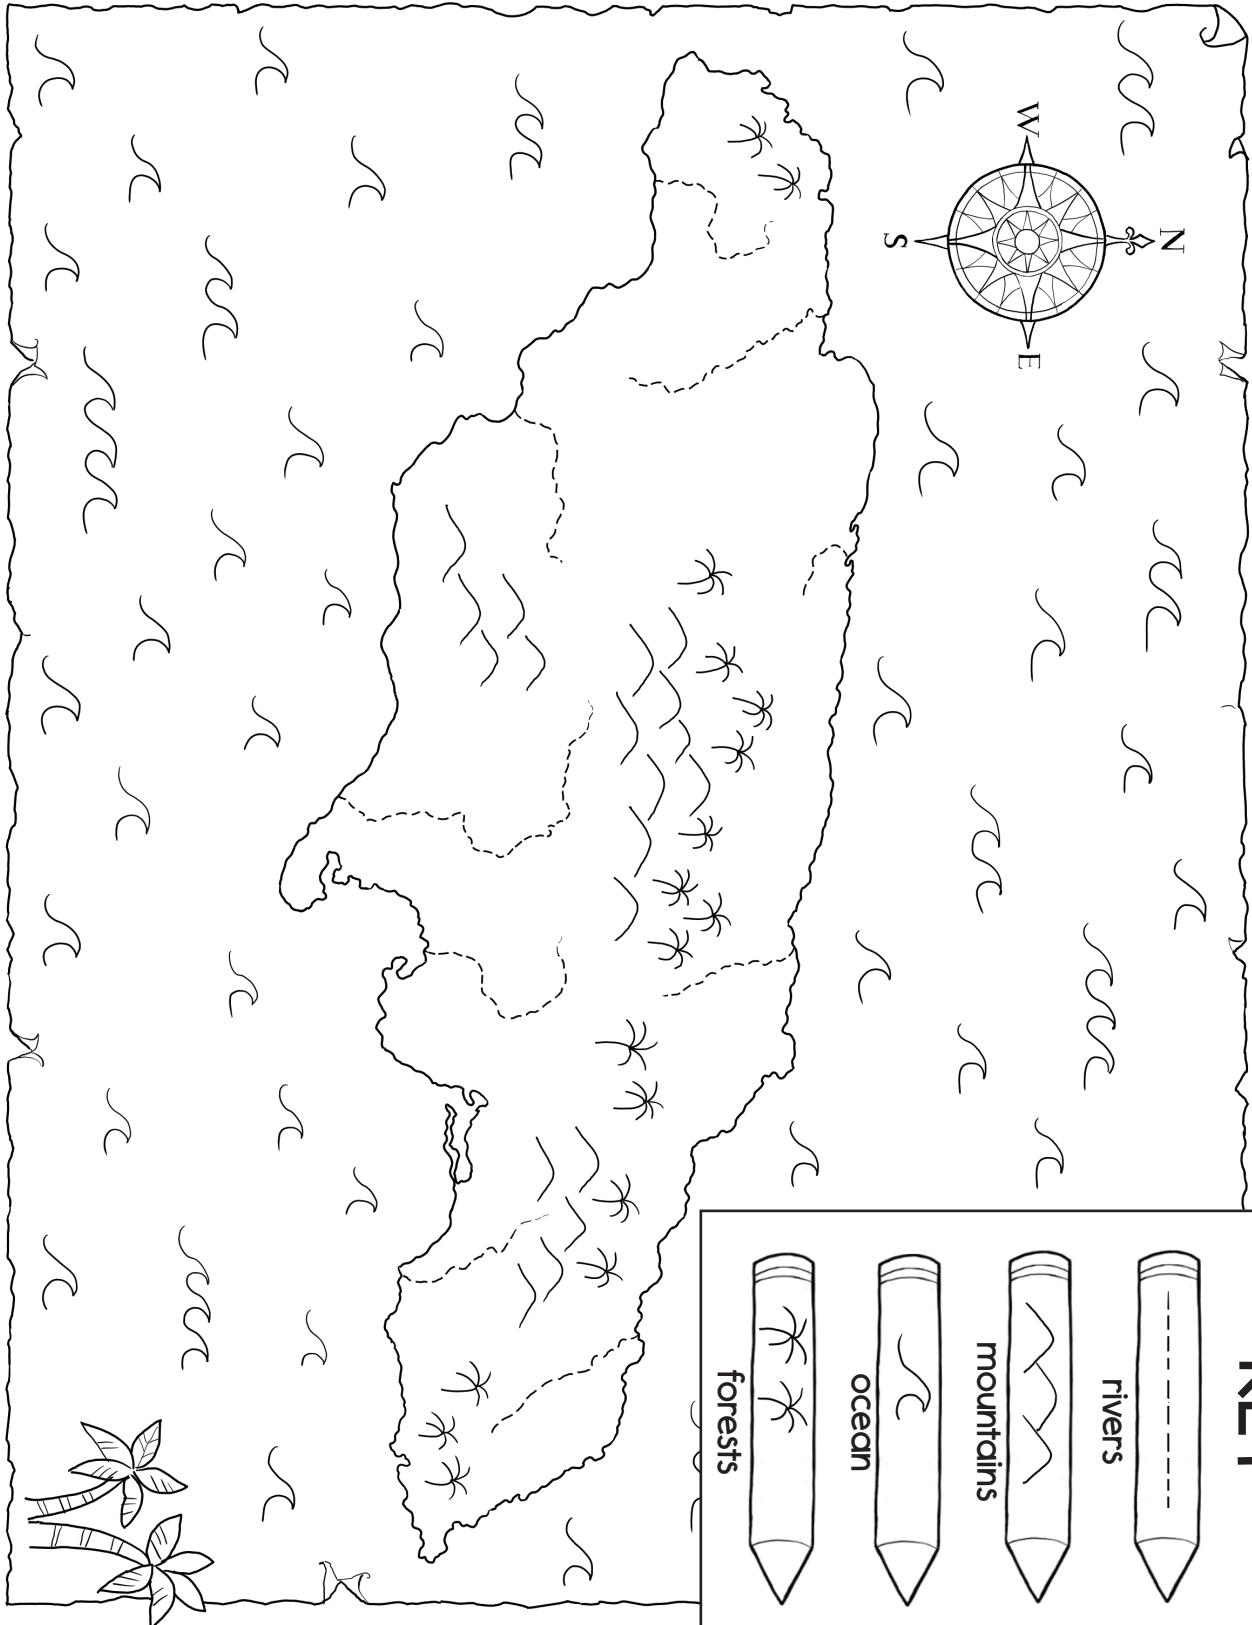

Color the map of David Livingstone's travels, including the pictures in the boxes at the bottom of the page. Cut out and tape or paste the cut boxes into the boxes with the matching number.

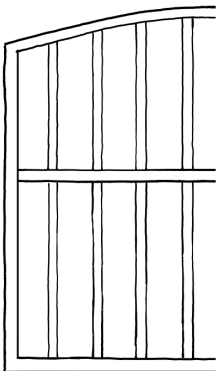

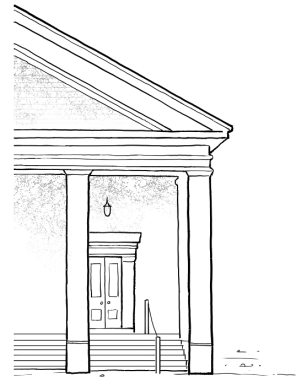

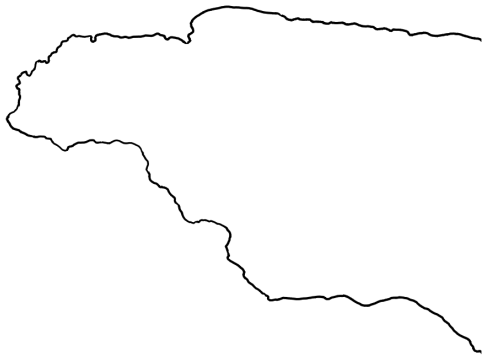

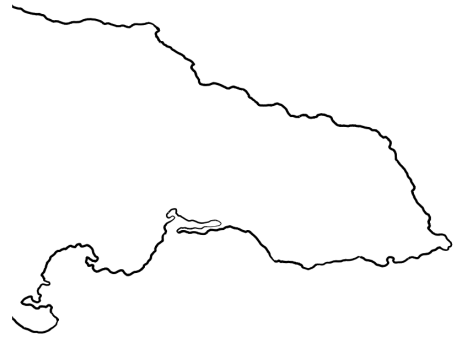

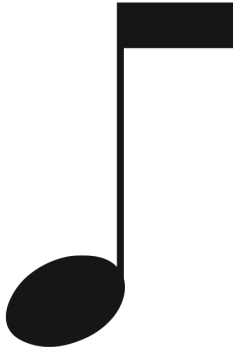

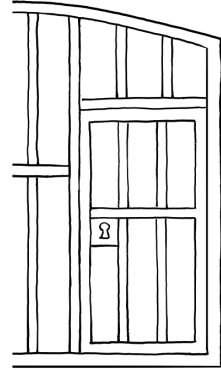

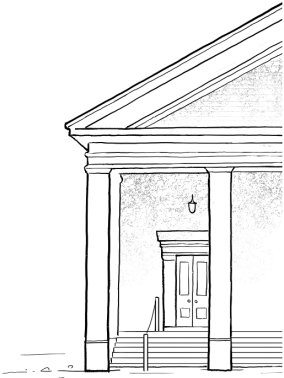

•Lesson 53•

Use the key to color the areas on the map of Jamaica.
Note to parent: Color the key for your child in the colors of your choice. Rotate this book so that the key is on top.

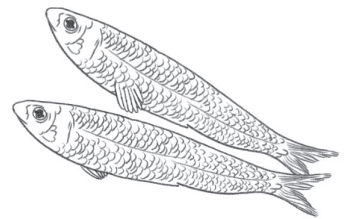

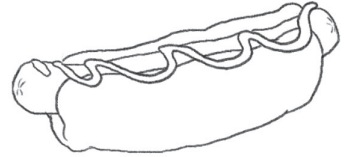

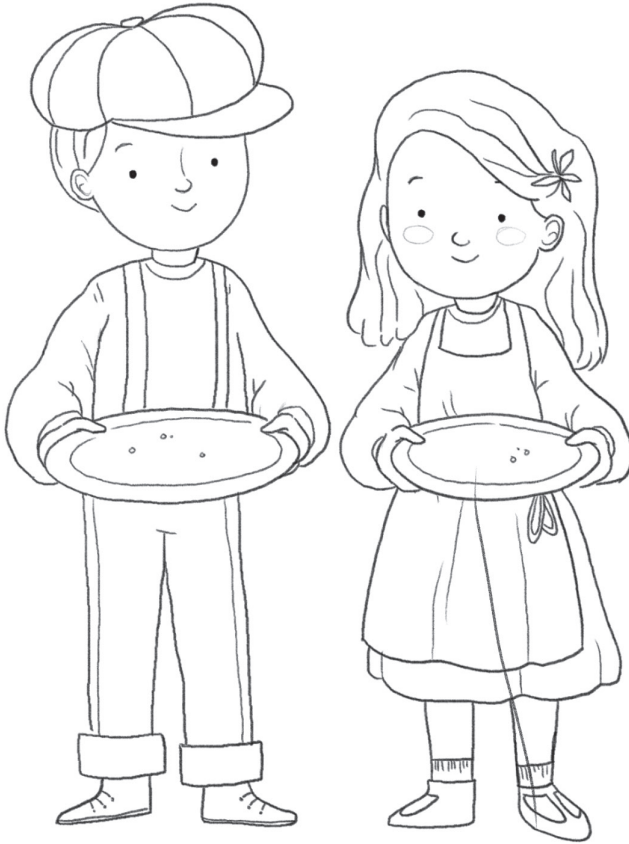

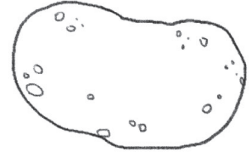

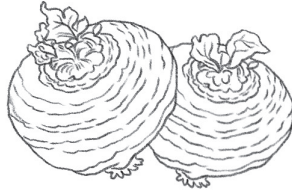

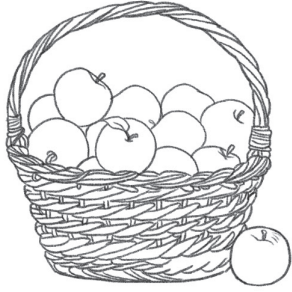

Draw a line to connect the matching halves of each picture from George Liele's story.

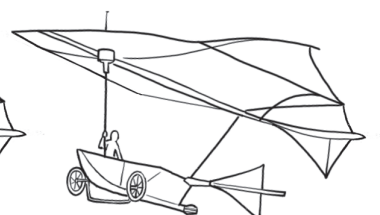

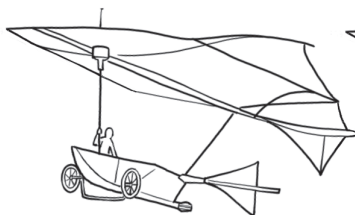

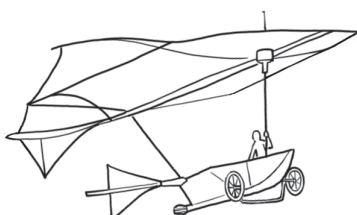

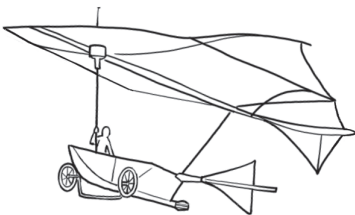

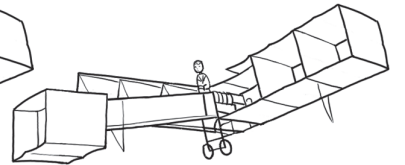

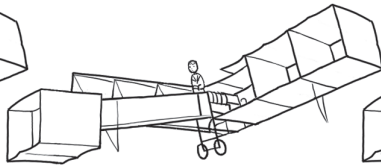

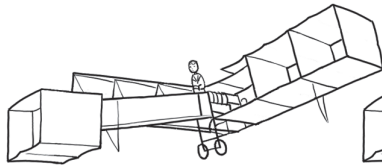

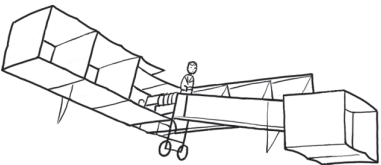

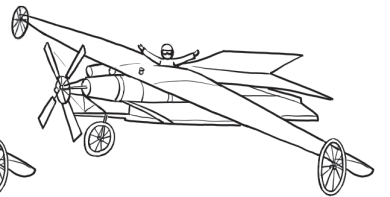

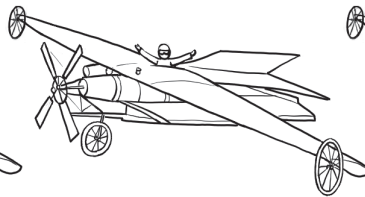

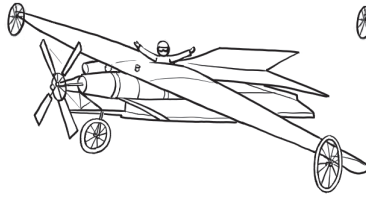

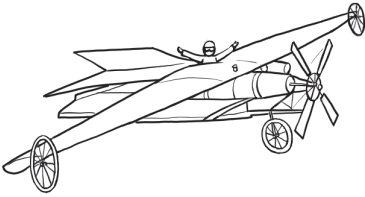

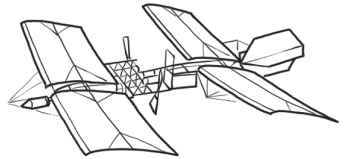

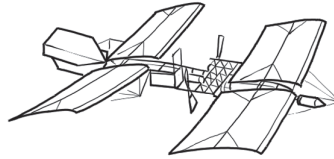

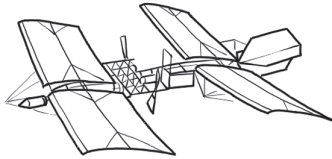

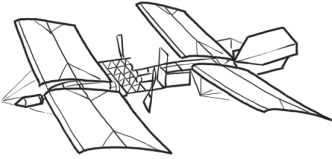

•Lesson 54•

Draw lines from the children to each type of food that Bidy's family may have eaten during the Irish Potato Blight. Color the pictures.

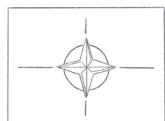

Circle the new aircraft object in each row that is facing right. The black arrow is pointing to the right.

Color each symbol in the key a different color. Then find and color the pictures from the key on the map to show the two sides of the Cold War in Europe.

KEY

•Lesson 58•

Complete the maze through the radio to send messages from the United States to other countries during the Cold War. Color the picture.
